Ajdan, brings you a masterplan
development that will transform your
life in the Eastern Province

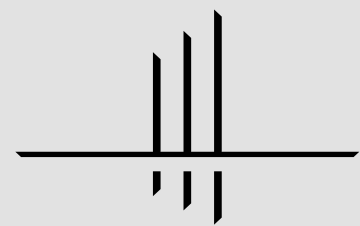

Welcome to *your* Future

Infiniti by Ajdan is your timeless destination for upscale 360° lifestyle experiences. Infiniti brings you a cutting-edge new beginning and a modern reimagination of life by the sea.

Home to *your* Treasured Years

The towers have been designed with each and every resident in mind, giving all residential units a view of the Arabian Gulf; rest assured knowing that the sea will accompany you all throughout your day. Each tower is complete with an infinity pool and modern landscape design.

Where Life Feels Like an *infinite* Vacation

You've arrived at a coveted addition to Khobar's corniche - breathe it all in and step into your new seaside home, where everything you need is a few steps away. Allow us to reintroduce you to life by the sea: Infiniti by Ajdan.

With 45,510 sqm of property, an upscale F&B area, contemporary high-end residential towers, and cutting-edge amenities, we've designed a living destination that puts your mind at ease.

An aerial photograph of a coastal area. In the foreground, there's a large, circular road or plaza. To the left, a residential development is visible, featuring a mix of green spaces, buildings, and a winding path. The background shows a body of water with a small, green, tree-covered island or peninsula.

Getaway Meets *Get-away*

Infiniti is a rare residential gem
when it comes to location.

Situated in AlBahar District, Khobar, you'll find yourself right amidst the liveliness of the new downtown with exciting destinations like SEVEN Entertainment, Dhahran Expo, and Saudi Aramco. Widen your circle a bit further and you can enjoy close proximity to Bahrain as well as King Fahd International Airport.
